Dear Student

We hope that you are happy and healthy while making the most of your time during lockdown and social distancing for the unforeseeable future.

We understand from the organisers, that most of you will not be able to attend the Higher Education School Expos, due to the COVID-19 situation and lockdown, where you would have had an opportunity to interact with many tertiary institutions to help you find the right course for your career plans.

At Isa Carstens Academy, it is our mission to assist you with the same quality of service during this time, as we normally would have done. Therefore, we summarized an information communique that you can follow, along with other digital tools to facilitate one-on-one personalized meetings with you and your parents.

1. Easy access to industry and career information by video

The presentation that we share during our open days and at schools, was recorded by our Registrar, Ms Yolandé Swanepoel and is available on Facebook:

<https://www.facebook.com/watch/?v=3046312552087752>

2. To explore deeper, view or download our prospectus

3. One-on-one personalised online meetings

We frequently receive requests for private meetings and campus tours. We are still available to host WhatsApp video or Zoom meetings with you and your family, to ensure that we cover all your questions and share more relevant videos and pictures specific to your needs. Please contact our Student representatives to set-up a meeting.

4. Accreditations and Registrations

Before embarking on your educational journey, we strongly suggest that you grasp the concepts and importance of accreditations and registrations. As the leader in our industry for over 41 years, we offer courses that ensure a high employability rate and has met the standards of the Department of Higher Education and Training.

A list of accredited providers can be downloaded from the Department of Higher Education and Training and is highly recommended to verify any qualification. Download a list containing all registered providers and accreditations.

10. Students with foreign qualifications and international students: You need to apply for your qualification/s to be verified, before we can process your application. The purpose of the evaluation function is the recognition of foreign qualifications in terms of the South African National Qualifications Framework. You must visit the SAQA website and follow the steps to register. <https://www.gov.za/services/tertiary-education/evaluate-foreign-qualifications>

Once you receive your feedback, please submit your outcome to the Admissions and Registrations office for your application to be processed.

International students must apply for a South African study visa before arriving in the country. This applies even if you are coming to South Africa as the dependent of someone who is coming to work here. You will not be allowed to register with a school, college or university without a valid South African student visa.

11. How to apply

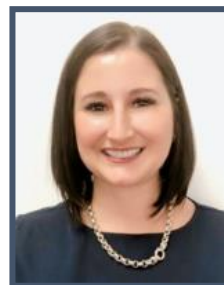

Application forms are available on our website for download, listed under each course on offer. Alternatively contact our Recruitment Representatives on WhatsApp to assist you. To complete your application, you will be required to submit the following:

- A verified copy of your ID document or passport.
- A verified copy of your final Grade 11 and latest Grade 12 School results, or final Grade 12 if completed.
- If applicable, also include a verified copy of your tertiary qualifications obtained/in progress.
